

Say YES to donation. Join the registry.

You can save lives.

Versiti encourages you to share life by registering to become an organ, tissue and eye donor.

Be sure to share your decision with your family. Your decision to donate may mean a second chance at life for patients in need.

Visit donatelifewisconsin.org to join the registry.

Nykia Julien

When her heart began to fail, Nykia Julien was immediately put on the transplant list. After receiving the gift of a donor heart, Nykia is back to living life to the fullest.

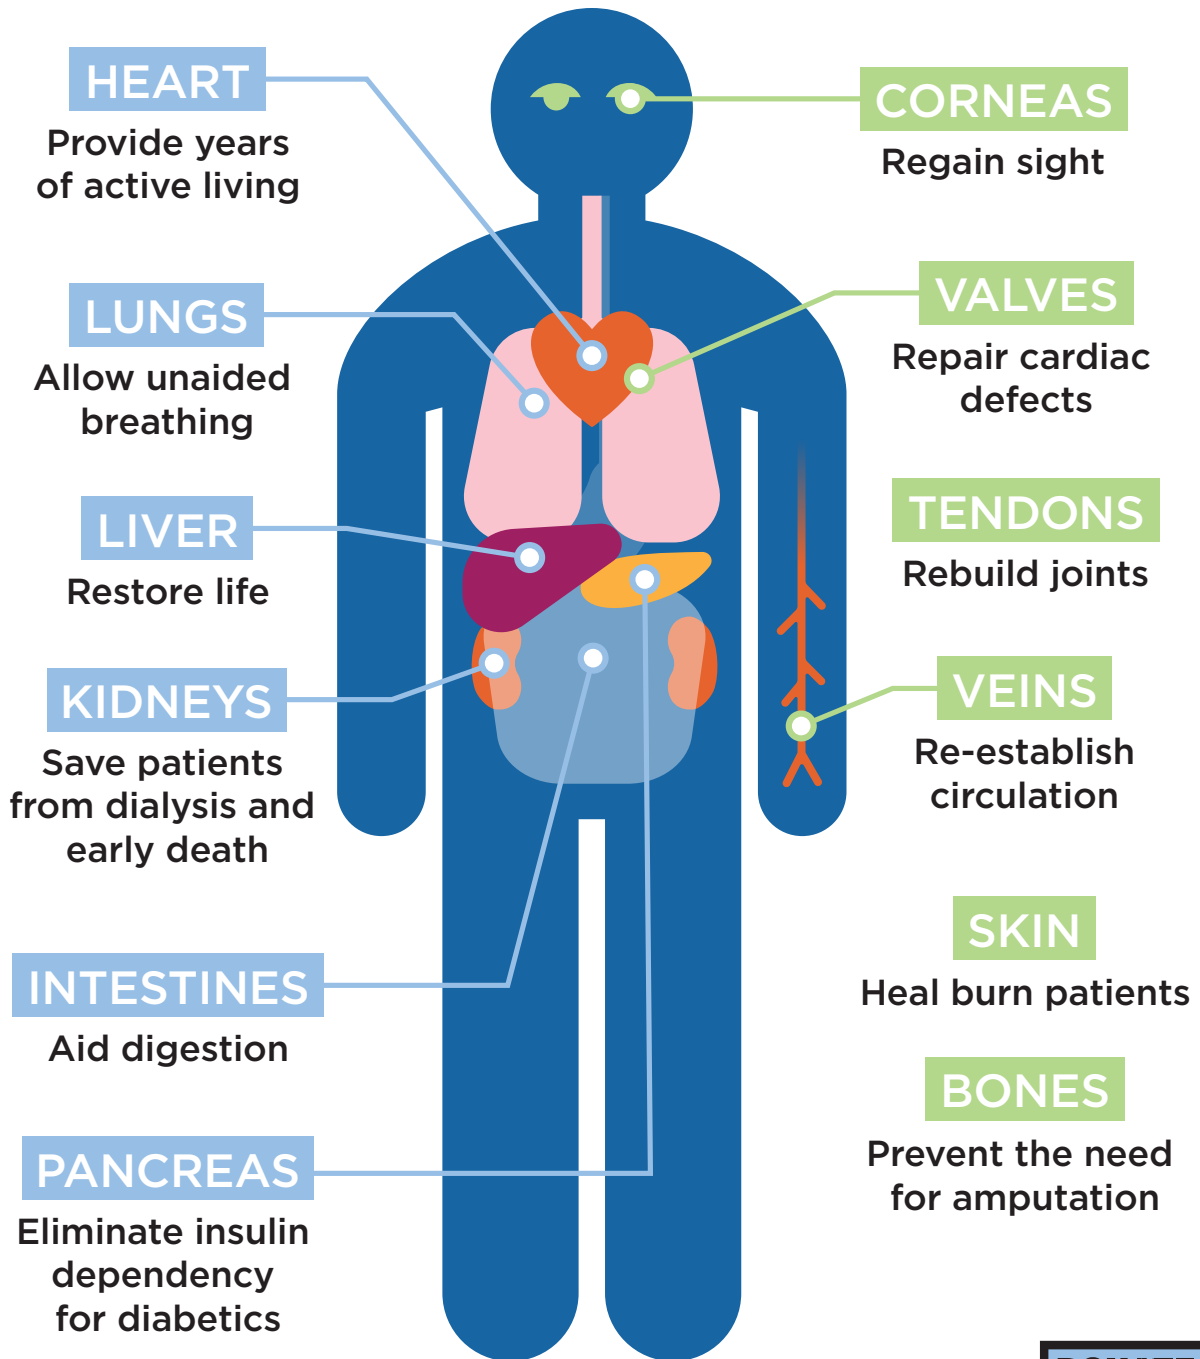

"I'm able to do a lot that I wasn't able to do before. I'm able to travel, I'm able to walk up stairs, I'm able to walk further. You could save someone's life, so I say go ahead and become an organ donor."

WHAT CAN BE DONATED?

ORGANS

TISSUE
