

# 15th Annual Immunology Symposium

Thursday, October 20, 2022

9:00 am — 3:30 pm • Reception to follow  
Blood Research Institute  
8733 W. Watertown Plank Road – Milwaukee, WI

Highlighting Jack Gorski's  
Contributions to Versiti  
Blood Research Institute  
and Beyond

Mark your calendars: [versiti.org/immunologysymposium](https://versiti.org/immunologysymposium)

## Featuring

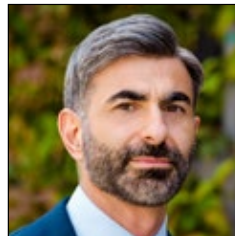

**Brian R. Curtis, PhD, MS, D(ABMLI), MT(ASCP)SBB**  
Versiti Diagnostic Labs  
Jack's Contributions to Versiti Diagnostic Labs

**David Margolis, MD**  
Children's Wisconsin  
Thank you, Jack Gorski!

**Matthew Anderson, MD, PhD**  
Versiti Diagnostic Laboratories  
HLA "Matching" in the Genomics Era: From Antigens to Alleles to the MHC

**Andrea Ferrante, MD, MBA**  
Eli Lilly & Co.  
The Unfolding of a Story About Folding: How Understanding HLA Class II-Restricted Epitope Selection Has Been Impacting Drug Discovery

**Elena Naumova, PhD**  
Tufts University  
TCRs Complexity, Fractality, and Universality

**Jack Gorski, PhD**  
Versiti Blood Research Institute  
Fractional immune Dimensions: Measuring Immunity
